

How we Connect

- ☺ 9.30am every Sunday we gather for family friendly worship in the Ocean Forest Lutheran College chapel.
- ☺ The youth gather for regular fun, fellowship and study nights.
- ☺ Members and others also meet in small groups in various people's home to encourage one another, socialize and study together.
- ☺ A prayer group also meet at the school during the school weeks.
- ☺ Members and families are individually involved in service to the community and we also combine for other bigger projects to help nationally and worldwide.
- ☺ We have special focus events like Easter, Christmas and Longest Lutheran Picnic Lunch

OCEAN FOREST LUTHERAN FELLOWSHIP

Connecting to Grow people in Christ

Who we are

*the Love of God coming to Life
in the South West of WA*

Local - but with the backing of a wider church

OFLF & WA LUTHERANS

We are a congregation of the Lutheran Church of Australia with a Western Australian flavour.

Services are family friendly and Gospel centred. We also have small groups, with fellowship and Bible Study, as well as Youth nights each month.

Western Australian Lutherans are *fairly diverse* - coming from a variety of backgrounds; *Open* - to different ways of sharing the Gospel; *Family oriented* - valuing the nurture of children and care for each other; *Hospitable* - catering well and looking after guests; *Unselfish* - ready to serve and respond to needs; *Strong on the Word of God* - valuing good Biblical teaching; *Christ centred* - seeking to imitate His heart in thanks for His saving grace.

THE WIDER LUTHERAN CHURCH

- ◇ The Lutheran Church is Christ-centred, Bible-based, and Grace-oriented in its teachings and work across the globe.
- ◇ From the earliest times its mission work has been done with people in their native culture, learning their language and making God's Word available to them in it. *(In Adelaide, Aboriginal people are relearning their language from work done by the early Lutheran Missionaries.)*
- ◇ Working with families and providing quality Christ centred education has always been important.
- ◇ In Australia the first Lutheran school opened in 1839. Now there are 86 Lutheran Schools and 52 Early Childhood centres around the nation.
- ◇ We get to hook into some of the largest Aid agencies in the world through Australian Lutheran World Service and Lutheran World Federation. Their Aid Programs are designed to lift up, educate and support people into independence.
- ◇ There's also radio and TV programs produced through Lutheran Media played Australia wide plus a children's interactive website at www.happyland.com.au.

WE BELIEVE ...

- * **in one true and triune God**
We share the belief with all other Christians that the one true God has revealed Himself as Father, Son, and Holy Spirit.
- * **that we all need the saving work of Jesus Christ**
We are part of a fallen humanity and would be lost forever if God, in love, had not sent Jesus to take the punishment we deserved.
- * **forgiveness is a free gift from God**
It cost God the life of His one and only Son but it is a free gift to us. We do nothing to deserve it. We can only humbly believe the offer and receive the gift.
- * **God's forgiveness heals our relationship with God and frees us for life with God without fear of sin, death or the devil**
Once we were not a people, now we are the people of God; once we had not received mercy, now we have received mercy. In this we have a new life to live - as children of God - with a new way to see everything.
- * **Jesus is fully God, with the Father and the Spirit, and fully man, born of the virgin Mary**
As such we know He relates to us in our humanity and has made the perfect sacrifice on our behalf, and in Him we see the glory of the One and Only God, full of grace and truth. So He's both our Saviour and our Lord.
